Membership/ Associate Membership Fee 2021-2022

- Fees are the same for either category.
- The membership fee is determined by the level of funding received by an organisation.
- The relevant funding level applies to the year preceding the 2021-22 financial year.
- The DANA interpretation of “*disability*” is not limited by age or disability type.
- DANA will ordinarily rely on organisations to decide on the appropriate membership fee category for their organisation.
