BOARD OF DIRECTORS' REPORT

Your Board of Directors present their report on the company for the financial year ended 30 June 2021.

Board of Directors

The names of Directors who have been Board Members during the year and to the date of this report:

Serena Ovens – Chair (Elected November 2018)
Deborah Wilson – Deputy Chair (Elected November 2017)
David Petherick – Secretary (Elected November 2017, Retired May 2021)
Michael Bleasdale – Treasurer (Elected November 2018, Retired December 2020)
Fiona Campbell – Member (Elected November 2017)
Jenny Hughes – Member (Elected November 2018)
Geoff Southwell - Member (Elected November 2018)
Terri-Ann Dwyer - Member (Elected November 2017)
Nicole Marquis - Member (Elected December 2020, Retired January 2021)
Adrian Terranova - Member (Elected December 2020)

Board Members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Company Secretary

The following person held the position of Company Secretary at the end of the financial year: Mary Mallett

Operating Results

An operating surplus of the company amounted to \$105,700 (2020: \$103,873).

Dividends

The company is limited by guarantee and is prohibited by its objects from distributing its surplus to the members. Accordingly, no dividend has been paid or declared for the year by the company since the end of the previous financial year and up to the date of this report.

Significant Changes in State of Affairs

No significant changes in the company's state of affairs occurred during the financial year.

After Balance Date Events

No matters or circumstances have arisen since the end of the financial year which have significantly affected or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in subsequent financial years.

Future Developments

There are no likely future developments in the operations of the company which could significantly affect the expected results of those operations in future financial years.

BOARD OF DIRECTORS' REPORT (continued)

Meetings of Board of Directors

During the financial year, 6 Board of Directors' meetings were held. Attendances by each Board Member were as follows:

	Board of Directors' Meetings	
	Number Attended	Number Of Meetings Eligible To Attend
Serena Ovens	5	6
Deborah Wilson	3	6
David Petherick	5	5
Michael Bleasdale	1	3
Fiona Campbell	4	6
Jenny Hughes	5	6
Geoff Southwell	6	6
Terri-Ann Dwyer	5	6
Nicole Marquis	-	-
Adrian Terranova	4	4

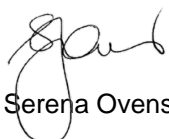

Indemnifying Officers or Auditor

The company paid premiums for the indemnification and insurance of directors and officers for the financial year ended 30 June 2021.

Auditor's Independence Declaration

The lead auditor's independence declaration for the year ended 30 June 2021 has been received and can be found attached to this report.

Signed in accordance with a resolution of the Board of Directors.

Serena Ovens

Chairperson

Dated this 14th day of December 2021

Auditors Independence Declaration

To the Board of Directors of the Disability Advocacy Network Australia Limited

I declare that, to the best of my knowledge and belief, during the 12 months ended 30 June 2021 there have been:

- (i) no contraventions of the auditor independence requirements of the *Corporations Act 2001* and section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the review; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the review.

David Perceval, Fellow Chartered Accountant
Institute of Chartered Accountants Australia #45109

13 December 2021
Canberra ACT

**DISABILITY ADVOCACY NETWORK AUSTRALIA LIMITED

BOARD OF DIRECTORS' DECLARATION

The Board of Directors declare that:

1. The attached financial statements and notes, in accordance with the *Corporations Act 2001* and the *Australian Charities and Not for Profits Commission Act 2012*,
 - (a) comply with Accounting Standards; and
 - (b) give a true and fair view of the financial position as at 30 June 2021 and of the performance for the year ended on that date of the company.
2. In the Directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Serena Ovens

Chairperson

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial report covers Disability Advocacy Network Australia (DANA) Limited as an individual entity. DANA Limited is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report is a general-purpose financial report that has been prepared in accordance with Australian Accounting Standards-Reduced Disclosure Requirements, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the *Corporations Act 2001* and the *Australian Charities and Not for Profits Commission Act 2012*.

Australian Accounting Standards - Reduced Disclosure Requirements set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Change in Accounting Policy

Revenue from Contracts with Customers – Adoption of AASB 15 / Income for Not-for-Profit Entities – Adoption of AASB 1058

The Company has adopted AASB 15 Revenue from Contracts with Customers for the first time in the current year with a date of initial application of 1 July 2019.

The Company has applied AASB 15 using the cumulative effect method which means the comparative information has not been restated and continues to be reported under AASB 118 and related interpretations and all adjustments on adoption of AASB 15 need to be taken to retained earnings at 1 July 2019. There was no impact to retained earnings on adoption of AASB 15 at 1 July 2019.

The Company has adopted AASB 1058 Income for Not-for-Profit Entities for the first time in the current year with a date of initial application of 1 July 2019.

AASB 1058 clarifies and simplifies the income recognition requirements that apply to not-for-profit (NFP) entities, in conjunction with AASB 15. The new income recognition requirements shift the focus from a reciprocal/non-reciprocal basis to a basis of assessment that considers the enforceability of a contract and the specificity of performance obligations.

The core principle of the new income recognition requirements in AASB 1058 is when a NFP entity enters into transactions where the consideration to acquire an asset is significantly less than the fair value of the asset principally to enable the entity to further its objectives, the excess of the asset recognised (at fair value) over any 'related amounts' is recognised as income immediately.

Where there is an 'enforceable' contract with a customer with 'sufficiently specific' performance obligations, income is recognised when (or as) the performance obligations are satisfied under AASB 15, as opposed to immediate income under AASB 1058.

DISABILITY ADVOCACY NETWORK AUSTRALIA LIMITED
(A COMPANY LIMITED BY GUARANTEE)
ABN 53 136 792 884

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

Under AASB 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e., when 'control' of the goods or services underlying the performance obligation is transferred to the customer. AASB 15 introduces a 5-step approach to revenue recognition, which is more prescriptive than AASB 118.

The new policies adopted by the Association are set out in Note 1a.

Leases – Adoption of AASB 16

The impact of adopting AASB 16 is described below:

Association as a lessee Under AASB 117, the Company assessed whether leases were operating or finance leases based on its assessment of whether the significant risks and rewards of ownership had been transferred to the Company or remained with the lessor. Under AASB 16, there is no differentiation between finance and operating leases for the lessee and therefore all leases which meet the definition of a lease are recognised on the statement of financial position (except for short-term leases and leases of low value assets).

The Company currently has no leases and therefore no impact to retained earnings on adoption of AASB 16 at 1 July 2019.

(a) Revenue

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Grant Revenue

Grant revenue is recognised in the statement of profit or loss and other comprehensive income when the entity obtains control of the grant, it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably. When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Memberships

Revenue from membership fees is recognised progressively over the period to which the membership relates. The portion of membership fees received that relates to the following financial year is brought to account at balance date as unearned membership fees (other current liabilities).

Sale of Goods and Disposal of assets

Revenue from the sale of goods and disposal of other assets is recognised when the entity has passed control of the goods or other assets to the customer.

All revenue is stated net of the amount of goods and services tax.

Interest Revenue

Interest is recognised on an accrual basis.

DISABILITY ADVOCACY NETWORK AUSTRALIA LIMITED
(A COMPANY LIMITED BY GUARANTEE)
ABN 53 136 792 884

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the Board of Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of profit or loss and other comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight-line basis over their useful lives to the company commencing from the time the asset is held ready for use.

The depreciation rates used for the assets are 10-33%.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

Asset classes carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit or loss and other comprehensive income.

(c) Financial Instruments

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)
- fair value through other comprehensive income - debt investments (FVOCI - debt)

Financial assets are not reclassified subsequent to their initial recognition unless the

DISABILITY ADVOCACY NETWORK AUSTRALIA LIMITED
(A COMPANY LIMITED BY GUARANTEE)
ABN 53 136 792 884

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

DISABILITY ADVOCACY NETWORK AUSTRALIA LIMITED
(A COMPANY LIMITED BY GUARANTEE)
ABN 53 136 792 884

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate **of the** expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables and grants received in advance.

(d) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to balance sheet date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus any related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

The company pays long service leave contributions, on a quarterly basis, on behalf of their employees, to the ACT Long Service Leave Authority, who administers the *Long Service Leave (Portable Schemes) Act 2009*.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(f) Goods and Services Tax (GST)

Revenues, expenses, and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST. Cash flows are presented in the cash flow statement on a gross basis

(g) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(h) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at reporting date.

DISABILITY ADVOCACY NETWORK AUSTRALIA LIMITED
(A COMPANY LIMITED BY GUARANTEE)
ABN 53 136 792 884

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

(i) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(j) Critical Accounting Estimates and Judgements

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances. These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates. The significant estimates and judgements made relate to employee leave provisions as discussed in Note 1(d).

Independent Audit Report to the members of Disability Advocacy Network Australia Limited

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of Disability Advocacy Network Australia Limited (the "Company"), which comprises the statement of profit or loss and other comprehensive income, the statement of financial position as at 30 June 2021, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In my opinion, the financial report of the company is in accordance with the *Corporations Act 2001* and Division 60 of the *Australian Charities and Not for Profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the company's financial position as at 30 June 2021 and of its financial performance for the year then ended; and
- (ii) Complying with Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Regulations 2001*.

Basis for Opinion

I have conducted my audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the *Financial Report* section of our report. I am independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001*, the *Australian Charities and Not for Profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, the *Australian Charities and Not for Profits Commission Act 2012* which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises the Director's report for the year ended 30 June 2021 but does not include the financial report and my auditor's report thereon.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Directors for the Financial Report

The responsible entities of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 and for such internal control as management determines is necessary to enable the preparation of the financial report that gives a true and fair view that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the registered entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with responsible entities regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during my audit.

A handwritten signature in cursive script that reads 'David Perceval'.
